## EDUCATION

Indian Institute of Information Technology(IIT), Bhopal

Nov 2023 – May 2027

B. Tech – Information Technology (IT)

CGPA 8.54

Relevant Coursework: **Data Structure & Algorithms(DSA)**, **Object Oriented Programming(OOP)**, **Database Management System(DBMS)**, **Computer Networks**, **Operating System**, **Computer Organization & Architecture**, **Distributed Systems**

## PROFESSIONAL EXPERIENCE

Vwaves Technology Pvt. Ltd. | Software Development Intern

May 2025 – Jul 2025

- **Reduced API response time by 15%** by engineering production-grade backend services and optimizing core logic.
- **Resolved** 15+ production and pre-production issues using **root-cause analysis**, reducing recurring bug reports by **25%**.
- **Cut manual deployment effort by 40%** by establishing automated **CI/CD pipelines** using **GitHub Actions**.
- **Optimized** frontend modules and internal workflows within an **Agile team**, supporting the full **SDLC** for daily production updates.

## ACADEMIC PROJECTS

Learnistiq | Express.js, React.js, Node.js, MongoDB, Razorpay

[GITHUB](#) | [LIVE DEMO](#)

- **Developed** a full-stack **MERN** e-learning platform enabling users to browse and purchase courses with **Razorpay** integration and modular backend services.
- Integrated **JWT** based authentication and protected routes; optimized **MongoDB queries**, reducing course retrieval latency by approximately **30%** across core system endpoints.
- Deployed the application to cloud infrastructure and **orchestrated** CI/CD pipelines, minimizing manual deployment steps.

IIIT Bhopal Alumni Networking Platform | MERN, Redis, OAuth 2.0

- **Architected** a closed alumni-student networking platform using **MERN**, **Redis**, and **OAuth 2.0**, enabling mentorship booking and referrals for **300+ users**.
- **Engineered** a verified alumni directory with **search filters** (company, role, domain, batch) and controlled messaging workflows to prevent spam.
- Designed referral and job board modules supporting 50+ career opportunities, enabling alumni to share internships, jobs, and internal referrals for students.
- **Integrated** OAuth authentication and **Redis caching**, while debugging and optimizing **internal services** to reduce backend response latency by **35%**.

Subscription Management System | REST APIs, JWT, RBAC, Arcjet, Cron Jobs, Nodemailer

[GITHUB](#)

- Spearheaded the design of a scalable backend service for subscription lifecycle management, implementing **JWT authentication** and **RBAC** to reduce unauthorized access by **90%**.
- Enforced **API rate limiting** and bot protection with **Arcjet**, throttling traffic beyond 100+ requests/min/IP and mitigating **95%** of malicious traffic.
- Established a centralized **error handling** and validation layer across 30+ REST APIs, **improving system reliability** and reducing runtime errors by 80%.
- Implemented **modular backend architecture** (controllers, services, middleware) and automated email workflows for renewals, improving renewal rates by **25%**.

## ACHIEVEMENTS & CERTIFICATES

- **Solved 700+ DSA problems** on **LeetCode**, achieving a **Knight rating of 1860** (top 5.6% globally).
- Secured a **Top 500 rank** among 10,000+ participants in the **OPTIGO Competitive Programming** Contest.
- Ranked within the **Top 4,000** out of 20,000+ applicants in the **AlgoUniversity Tech Fellowship 2024**. [Certificate](#)
- **Earned a Global Rank 363** in CodeChef Starters 175 and a **3-Star rating** (1643 peak) on **CodeChef**.
- **Attained** Pupil rank (1346) on **Codeforces** with 200+ problems solved across core **data structures** and **algorithms**.
- Cleared **NTSE Stage-1**, qualifying among 200,000+ students nationwide.

## TECHNICAL SKILLS

- **Languages:** C++, Python, JavaScript, SQL
- **Web Technologies:** HTML, CSS, TailwindCSS
- **Frameworks:** React.js, Node.js, Express.js
- **Databases:** MongoDB, MySQL, Firebase, Redis
- **Tools & Platforms:** Git, GitHub, Docker, Kubernetes, Postman, Vercel, Render, VS Code

## POSITION OF RESPONSIBILITY

Alumni Reconnect Cell – IIIT Bhopal | Executive Member

Aug 2023 – Present

- **Coordinated** networking initiatives for **300+ students**, facilitating mentorship from alumni at **Microsoft** and **Amazon**.
